
SIGN:

Danger Waves Flood Surface Keep Off During Storms

COMMENT:

Viewers may not perceive risk associated with waves in lakes and reservoirs. Placement at public viewing areas or structures may increase effectiveness.

RECOMMENDATION:

None.

G-45

SIGN:

Danger Non Potable Water Do Not Use For Drinking Washing or Cooking / Peligro Agua No Es Potable No Se Use Para Tomar, Lavarse, Ni Cocinar.

COMMENT:

Good use of parallel posting of bilingual signage. Use of identical format, direct translation, and prohibitive symbol increases viewer recognition and increases effectiveness.

RECOMMENDATION:

Another sign should direct viewer to potable water supply.
