NOTICE OF PUBLIC MEETING ATTENDANCE

(August 26, 2004)

On Wednesday, September 1, 2004, staff of the Office of Energy Projects (OEP) will participate in a public informational meeting held by State Representative Raymond E. Gallison, Jr. of Rhode Island, regarding proposals for liquefied natural gas (LNG) import terminals in Rhode Island and Massachusetts. OEP staff will discuss general issues related to the Commission's environmental review process, but cannot address specific issues on active LNG project proposals before the Commission. The public meeting will start at 7:00 p.m. (EST) at Mount Hope High School on Chestnut Street in Bristol, Rhode Island.
