NOTICE OF MEETING AND SITE VISIT

(October 29, 2004)

The staff of the Federal Energy Regulatory Commission (FERC) will attend an interagency field meeting for the Golden Pass LNG and Pipeline Project. The meeting and site visit will begin at **7:30 AM on November 4 and 5, 2004**. The purpose of the site visit is to view wetland and pine forest habitat areas from the Texas-Louisiana border to the project pipeline terminus near Starks, Louisiana. Some portions of the site visit will require boat access. We will start each day's activities at:

VFW Hall
4402 Highway 12
Starks, Louisiana

Any interested person may attend, however, no transportation will be provided. For additional information regarding this site visit please contact the Office of External Affairs at 1-866-208-3372 (1-866-208-FERC).
