

Location: Feature No. is located on the chain link fencing on the right abutment.

Feature Description: Feature No. is a warning sign, twenty-four (24) inches wide by eighteen (18) inches high and made of aluminum. The sign is attached to the chain link fencing and is elevated approximately five (5) feet above the ground. The signage is composed of red and black lettering over a white background.

Notes:

SIGN:

Danger Gate Opens and Closes Automatically

COMMENT:

Clear message using trigger words. Example of safety plan sign design/placement sheet. Sheets list the feature #, # of signs, year installed, location, and design details. Notes indicate sign and font sizing.

RECOMMENDATION:

None.

SI-19

SIGN:

Danger No Boats or Float Tubes In This Area Remote Operation of Gates May Occur At Any Time

COMMENT:

Good adaptation of signage to reflect new recreation trend. Use of trigger word increases effectiveness.

RECOMMENDATION:

None.
