NOTICE OF STAFF-LED PUBLIC MEETING

(May 21, 2019)

Take notice that Federal Energy Regulatory Commission (Commission) staff will convene a staff-led public meeting on Monday, July 15, 2019, beginning at 10:00 am (ET). The public meeting will be held in the Commission Meeting Room at Commission headquarters, 888 First Street, NE, Washington, DC 20426. Commissioners may attend and participate.

On July 2, 2018, the Commission directed the ISO New England Inc. (ISO-NE) to submit permanent revisions to the ISO-NE Transmission, Markets and Services Tariff (Tariff) reflecting improvements to its market design to better address regional fuel security concerns,¹ which are due on October 15, 2019.² On April 22, 2019, ISO-NE, the New England States Committee on Electricity, and the New England Power Pool (NEPOOL) Participants Committee jointly requested a public meeting to share with Commission staff information about efforts to develop these proposed Tariff revisions without violating the Commission's *ex parte* rules. This notice of public meeting is in response to that request.

This staff-led public meeting will consist of three, 90-minute presentations by ISO-NE, NEPOOL stakeholders, and representatives from New England states with time for questions and answers reserved at the end of the meeting. Questions will only be permitted from Commission staff and Commissioners. Further information related to this public meeting will be provided in a supplemental notice.
