Federal Energy Regulatory Commission
Survey on Demand Response and Time-Based Rate Programs/Tariffs

Please note that the information submitted through this survey instrument must be completed in one session.

Q1  What is your Company's EIA ID number? [Note - If your company does not have an EIA ID number, use the number assigned to your company in the letter/e-mail from FERC in lieu of the EIA ID number.]

Q2  What is the associated password for your company?

Q3  What is the name of your operating company?

Q4  Please select the Regional Council within the North American Electric Reliability Council (NERC) region for which you are providing the demand response information.
   - Electric Reliability Council of Texas (ERCOT)
   - Florida Reliability Coordinating Council (FRCC)
   - Midwest Reliability Organization (MRO)
   - Northeast Power Coordinating Council (NPCC)
   - Southeastern Electric Reliability Council (SERC)
Q5 For this associated NERC region, please identify the states in which your organization provides programs for demand response and time-based rates.
