

SI-3

**SIGN:**

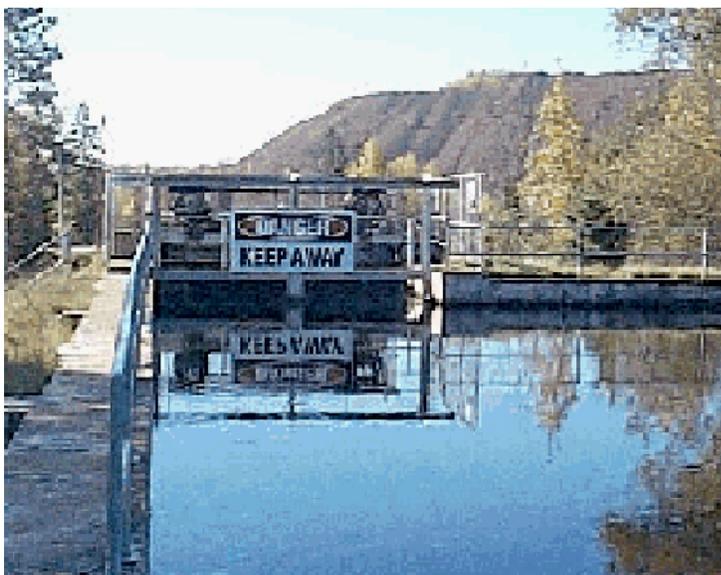

Very Dangerous  
Entering this Siphon  
Would Result in Certain  
Death

**COMMENT:**

Use of sign as secondary exclusion device adds effectiveness (fence is primary). Good combination of trigger phrase and specialized text to convey message.

**RECOMMENDATION:**

None.

SI-4

**SIGN:**

Danger Keep Away

**COMMENT:**

Very appropriate placement, use of Danger trigger word, color format, and supporting text.

**RECOMMENDATION:**

None.
