Report
Submitted to the
United States Congress
by the Federal Energy Regulatory Commission

Twenty-ninth Report to Congress on Progress Made in
Licensing and Constructing the Alaska Natural Gas Pipeline

February 2020
I. Executive Summary

This report provides an update from the Commission’s Twenty-eighth Report, submitted in August 2019.

II. Status Report

As stated in previous reports, at TransCanada Alaska Company, LLC’s request, the Commission terminated the prefile review process for the Alaska Pipeline Project in Docket No. PF09-11-000. Commission staff has no further progress to report.
