Attention: Elizabeth W. Whittle, Esq.
Attorney for GSG 6, LLC

Dear Ms. Whittle:

1. On October 2, 2019, GSG 6, LLC (GSG) filed an Offer of Settlement (Settlement) addressing the revenue requirement for the provision of reactive supply and voltage control service from GSG's wind-powered electric generating facility, which is located in Lee County, Illinois. On October 22, 2019, Commission Trial Staff filed comments in support of the Settlement. On November 13, 2019, the Settlement Judge certified the Settlement to the Commission as an uncontested settlement.¹
2. Section 3.7 of the Settlement states that "[o]nce approved, any modification of the settlement would be governed by the 'just and reasonable' standard."
3. The Settlement resolves all issues set for hearing and settlement judge procedures in Docket No. ER19-1195.² The Settlement appears to be fair and reasonable and in the public interest, and is hereby approved. Commission approval of the Settlement does not constitute approval of, or precedent regarding, any principle or issue in this proceeding.

² *See GSG 6, LLC*, 167 FERC ¶ 61,101 (2019) (accepting and suspending proposed rate schedule and establishing hearing and settlement judge procedures).

4. GSG is directed to make a compliance filing with revised tariff records in eTariff format,³ within 30 days of this order, to reflect the Commission's action in this order.⁴

By direction of the Commission.

Nathaniel J. Davis, Sr.,
Deputy Secretary.

³ See *Elec. Tariff Filings*, Order No. 714, 124 FERC ¶ 61,270 (2008).

⁴ GSG included *pro forma* tariff records as an attachment to its offer of settlement. We note that, when submitting a *pro forma* filing, as an eTariff filing, parties should include a tariff record in eTariff format using Record Change Type *Pro Forma*. The tariff record should reflect the effective date of the tariff and rate changes specified in the settlement, if known. If the effective date of the tariff record is not known, the filing should use as the tariff record proposed effective date 12/31/9998. See *PA Solar Park, LLC*, 167 FERC ¶ 61,063, at P 4 n.4 (2019).
