### LIST OF PREPARERS

#### Federal Energy Regulatory Commission

##### **Polit, Juan – Project Manager, Executive Summary, Proposed Action, Alternatives, Groundwater, Geology and Soils, Land use, Socioeconomics**

M.S., Forest Ecology, 1992, University of Illinois  
B.S., Forest Science, 1989, University of Illinois

##### **Wachholder, Joanne – Deputy Project Manager, Water Resources, Wetlands, Fish, Wildlife, Vegetation**

M.S., Crop and Soil Sciences/Environmental Toxicology, 1997, Michigan State University  
B.S., Environmental Biology, 1994, University of Wisconsin, Stevens Point

##### **Bowman, Kevin – Cumulative Impacts**

B.S., Chemistry, McDaniel College, 2010  
B.S., Environmental Science, McDaniel College, 2009

##### **Howard, Eric – Cultural Resources**

M.A., Anthropology, 1997, University of Tennessee  
B.A., Anthropology, 1992, University of Tennessee

##### **Suter, Magdalene – Air Quality and Noise, Reliability and Safety**

B.S. Environmental Systems Engineering, 2004, The Pennsylvania State University

#### **FERC Third-Party Contractor**

*Environmental Resources Management is a third party contractor assisting the Commission staff in reviewing the environmental aspects of the project application and preparing the environmental documents required by NEPA. Third party contractors are selected by Commission staff and funded by project applicants. Per the procedures in 40 CFR 1506.5(c), third party contractors execute a disclosure statement specifying that they have no financial or other conflicting interest in the outcome of the project. The Commission staff has complete control over the scope, content, quality, and schedule of the contractor's work. The Commission staff independently evaluates the results of the third-party contractor's work and the Commission, through its staff, bears ultimate responsibility for full compliance with the requirements of NEPA.*

### **Conclusions and Recommendations**

B.S., Biology, 1988, Grove City College

### **Afon, Adeyinka – Noise**

M.S.E., Environmental Process Engineering, 2004, Johns Hopkins University

B.S., Chemical Engineering, 2001, Ladoke Akintola University of Technology, Nigeria

### **DeWitt, Andrew – Water Resources and Wetlands**

M.S. Geospatial Science in Geology and Geography, 2012, Missouri State University

B.S. Geology, 2010, Grand Valley State University

### **Fox, Jonathan – Fish and Wildlife**

B.S., Ornamental Horticulture, 1997, Delaware Valley University

### **Gordon, Aaron – Geology, Groundwater, and Soils**

B.S., Environmental Science, 2000, Johnson State College

### **Graham, Clive – Socioeconomics**

M.Sc., Urban Planning and Policy Management, 1986, Johns Hopkins University

### **Lockard, Greg – Cultural Resources**

Ph.D., Anthropology, 2005, University of New Mexico

### **Rectanus, Mike – Air Quality**

B.S., Chemical Engineering; 1996; Ohio University

### **Rudowski, Monica – Vegetation**

B.S., Biology, 2013, University of Pittsburgh

### **Sussman, Benjamin – Land Use**

M.C.R.P., City and Regional Planning, 2002, Georgia Institute of Technology

B.S.; Science, Technology, and Society; 1998; Stanford University

### **Todorov, Melinda – Special Status Species**

M.Sc., Aquatic Ecology, 2001, University of Bremen, Germany

B.S., Biology, 1999, Central Michigan University

### **Yamashiro, Daniel – Reliability and Safety**

M.S., Geological Sciences, 1984, California State University Northridge

B.S., Geological Sciences, 1986, California State University Northridge
