Filing Requirements for Electric Utility Service Agreements	Docket Nos. RM01-8-013
Electricity Market Transparency Provisions of Section 220 of the Federal Power Act	RM10-12-012
Revisions to Electric Quarterly Report Filing Process	RM12-3-001
Electric Quarterly Reports	ER02-2001-020

NOTICE OF EXTENSION OF TIME

(March 27, 2017)

On December 5, 2016, the Commission issued an Order on Rehearing and Clarification in this proceeding.¹ The December Order stated, among other things: “EQR filers should assign a new ‘Contract Unique ID’ [Field Number 15] to the relevant contract after the specific term necessitating a new ‘Commencement Date of Contract Terms’ [Field Number 22] has been changed.”² This reporting requirement was to become effective beginning with Q1 2017 EQR filings, due by April 30, 2017.³

In light of certain technical implementation issues that have arisen since issuance of the December Order, notice is hereby given that the deadline for compliance with this specific reporting requirement is extended until further notice.

Kimberly D. Bose,
Secretary.
