Attention: Lyle D. Larson, Esq.  
Attorney for Cambria CoGen Company

Dear Mr. Larson:

1. On March 5, 2019, Cambria CoGen Company (Cambria) filed an Offer of Settlement (Settlement) addressing the revenue requirement for the provision of reactive supply and voltage control service from Cambria's waste coal-fired qualifying small power production facility located in Ebensburg, Pennsylvania. The Settlement resolves all issues in dispute in the captioned proceeding.<sup>1</sup> On March 19, 2019, Commission Trial Staff filed comments supporting the Settlement. On April 5, 2019, the Settlement Judge certified the Settlement to the Commission as an uncontested settlement.<sup>2</sup>

2. Article 7.1 of the Settlement states that “[t]he standard of review the Commission shall apply when acting on proposed modifications to this Settlement under section 205 or 206 of the FPA shall be the ‘just and reasonable’ standard of review.”

3. The Settlement appears to be fair and reasonable and in the public interest, and is hereby approved. Commission approval of the Settlement does not constitute approval of, or precedent regarding, any principle or issue in this proceeding.
4. Cambria is directed to make a compliance filing with revised tariff records in eTariff format,<sup>3</sup> with an effective date of September 1, 2018 as provided in the Settlement, within 30 days of this order, to reflect the Commission's action in this order.<sup>4</sup>
