Attention: Neil L. Levy

Dear Mr. Levy:

1. Pursuant to the Freedom of Information Act¹ and Federal Energy Regulatory Commission (Commission) regulations under 18 C.F.R. § 388.112(d) (2019), you are hereby notified that the Commission has received a request to make public the non-public version of the application for market-based rate authority filed by Bolt Energy Marketing, LLC on December 20, 2019, under Accession No. 20191220-5108 in Docket No. ER20-660-000. The Commission is considering the release of this information.

2. Because Bolt Energy Marketing, LLC has asserted a privileged and/or confidential interest in the information requested, the Commission is soliciting your comments regarding the request for public release of the information described above.² Your response should also address the non-public version of the filing Bolt submitted on March 19, 2020, under Accession No. 20200319-5146 in this same docket. Your written comments are due within seven business days from the date of this letter and should clearly explain whether you oppose the release of these documents, or portions thereof, and the rationale for your position. The Commission will not be persuaded by conclusory statements as to why the information deserves protection. The Commission may construe a lack of response as evidence that you do not object to the release of the documents.

¹ 5 U.S.C. § 552 (2018).

² 18 C.F.R. § 388.112(a) (2019).

3. Your comments must be submitted in the above-referenced docket.

By direction of the Commission.

Kimberly D. Bose,
Secretary.
