Attn: Bruce A. Grabow, Esq.
Attorney for Turtle Creek Wind Farm LLC

Dear Mr. Grabow:

1. On December 6, 2019, in the above-referenced proceeding, you filed an Offer of Settlement (Settlement) on behalf of Turtle Creek Wind Farm LLC (Turtle Creek) addressing the annual revenue requirement for Reactive Supply and Voltage Control from Generation Sources Service from the Turtle Creek Facility. On December 23, 2019, Commission Trial Staff filed comments supporting the Settlement. On January 16, 2020, the Settlement Judge certified the Settlement to the Commission as an uncontested settlement.¹

2. Section 4.1 of the Settlement states that

[t]he standard of review the Commission shall apply when acting on proposed modifications to this Settlement under section 205 or section 206 of the Federal Power Act, including by the Commission acting *sua sponte*, shall be the ordinary “just and reasonable” standard of review.

3. The Settlement addresses all issues in dispute in Docket No. ER19-2224. The Settlement appears to be fair and reasonable and in the public interest, and is hereby

approved. Commission approval of the Settlement does not constitute approval of, or precedent regarding, any principle or issue in this proceeding.

4. Turtle Creek is directed to make a compliance filing with revised tariff records, in eTariff format,² within 30 days of this order, to reflect the Commission's action in this order.

By direction of the Commission.

Kimberly D. Bose,
Secretary.
