

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Chief Administrative Law Judge's
Notices to the Public

Docket No. AD20-12-000

NOTICE TO THE PUBLIC

REVISIONS TO THE MODEL PROTECTIVE ORDER AND RELATED
GUIDANCE

(Issued May 11, 2020)

1. The Model Protective Order has been revised to delete provisions that are out-of-date and revisions for clarity. Participants are ordered to use the revised Model Protective Order effective immediately. The revised and current version of the Model Protective Order is available on the Commission's Administrative Litigation webpage: <https://www.ferc.gov/legal/admin-lit.asp>, as well as in the above-captioned docket containing the Chief Administrative Law Judge's Notices to the Public.
2. As a reminder, for proceedings in which there is a designated Presiding Judge, protective order motions should be directed to that Presiding Judge. For proceedings in which there is a designated Settlement Judge but no Presiding Judge, protective order motions should be directed to the Chief Judge. Upon the submission of such motions, a Word version of the proposed protective order must be separately submitted by email to the appropriate judge's staff.

SO ORDERED.
