

**PJM Solution-Based DFAX Technical Conference  
January 12, 2016, 10:00am - 4:00pm**

- 10:00 am Introductions and Commission Staff Opening Remarks
- 10:10 am Presentations:
- Steve Herling and Paul McGlynn, PJM; Frank Richardson and Takis Laios, PJM Transmission Owners; Mayer Sasson, Con Edison; Amy Fisher, Linden VFT; Robert Weishaar and John Farber, Delaware/Maryland Commissions/Agencies; Esam Khadr, PSEG; Jeff Wood, Hudson and Neptune Transmission; Mark Ringhausen, ODEC.
- 11:40 am Break
- 11:50 am Follow-up Questions from Staff and Participants
- 12:30 pm Break for Lunch
- 1:30 pm Discussion Session:
- Whether there is a definable category of reliability projects within PJM for which the solution-based DFAX cost allocation method may not be just and reasonable, such as projects addressing reliability violations that are not related to flow on the planned transmission facility.
- Whether an alternative just and reasonable *ex ante* cost allocation method could be established for any such category of projects.
- 2:45 pm Break
- 2:55 pm Question and Answer Session: Additional Questions from Staff
- 3:45 pm Next steps
- 4:00 pm Conclude
