2 MR. PEER: All right. Let's go on the
3 record. This is the evening scoping meeting for
4 the Demopolis hydroelectric project. I don't see
5 any new faces here this evening. If nobody has
6 any comments, questions, or sees any need to
7 present any of the information that we presented
8 this morning, we'll go ahead and adjourn and close
9 the record.

10 MR. GOODWIN: A I have one comment.
11 I think it's important that we state that we
12 waited 20 minutes out of professional courtesy to
13 see if there would be a public appearance and give
14 them an opportunity to participate.

15 MR. SPENCER: Why don't you identify
16 yourself?

17 MR. GOODWIN: Scoot Goodwin, affiliated
18 with Birch Power.

19 MR. PEER: Okay. If there's no
