Re: Florida Gas Transmission Company, LLC  
Docket No. RP10- -000

Dear Ms. Bose:

Pursuant to Section 4 of the Natural Gas Act ("NGA") [15 U.S.C. § 717c], Part 154 of the Federal Energy Regulatory Commission's ("Commission") regulations thereunder, Florida Gas Transmission Company, LLC ("FGT") hereby submits for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, an original plus twelve copies of the revised tariff sheets identified in Appendix A (hereinafter referred to as "Proposed Tariff Sheets"), in accordance with Section 154.4(a) of the Commission's regulations [18 CFR §154.4(a)]. FGT requests that the Proposed Tariff Sheets be accepted for filing and be made effective on November 1, 2009.

Materials included in this filing

Pursuant to Section 154.7(a)(1) of the Commission's regulations [18 CFR §154.7(a)(1)], Florida Gas submits herewith the following material:

- i. In accordance with Section 154.7(a)(6) of the Commission's regulations [18 CFR §154.7(a)(6)], a Statement of Nature, Reasons and Basis for the instant filing;
- ii. "Proposed Tariff Sheets" which contain a listing of the revised tariff sheets being filed; the revised tariff sheets and, as required by Section 154.4 of the Commission's regulations [18 CFR §154.4], a copy of such revised tariff sheets on a diskette labeled, TF100109.ASC; and in accordance with the provisions of Section 154.201(a) of the Commission's regulations [18 CFR §154.201(a)], a "redlined" version of the revised tariff sheets submitted in the instant filing;
- iii. The Statement of FGT's Chief Accounting Officer, Mr. Gary W. Lefelar, in compliance with Section 154.308 of the Commission's regulations [18 CFR §154.308];
- iv. In accordance with Part 154 of the Commission's regulations, Statements A through J, L, M, O and P, and related statements and schedules, including Schedules G-1 through G-6;
- v. In accordance with Section 154.201(b) of the Commission's regulations [18 CFR §154.201(b)], documentation in the form of workpapers or otherwise, sufficiently detailed to support the changes proposed herein; and,

- vi. In accordance with Section 154.4 of the Commission's regulations [18 CFR §154.4], a compact disc ("CD") containing FGT's electronic version of the instant filing. The enclosed CD is labeled, "Florida Gas Transmission Company, LLC, Rate Case Filing" and contains a directory labeled, "034A0910." The directory contains Statements, Schedules and other Workpapers created using Microsoft Excel and Microsoft Word. Also included are files created with various other software, and then converted to "pdf" format using Adobe Acrobat.

#### Motion to Place the Proposed Rates into Effect

While the tariff sheets filed herein reflect a November 1, 2009 effective date, because this filing reflects a system-wide rate increase, FGT anticipates that the Commission will suspend the effectiveness of the proposed rates until April 1, 2010. Given the expected suspension, FGT reserves its right to file a later motion to place the proposed rates into effect at the end of the suspension period.

#### Waivers

Although FGT has not identified any waivers of the Commission's regulations that are necessary to permit its filing to become effective as proposed, FGT respectfully requests that, should the Commission determine that any such waivers are required, the Commission grant such waivers as are necessary in order that the tariff sheets may be made effective as proposed.

#### Posting and Certification of Service

In accordance with Section 154.2(d) of the Commission's regulations [18 CFR §154.2(d)], copies of this filing are available for public inspection, during regular business hours, in a convenient form and place at FGT's main office at 5444 Westheimer Road, Houston, Texas 77056.
