FEDERAL ENERGY REGULATORY COMMISSION

Federal and State Current Issues Collaborative

Docket No. AD24-7-000

NOTICE ANNOUNCING MEETING

(October 6, 2025)

On March 21, 2024, the Federal Energy Regulatory Commission (Commission) established a Federal and State Current Issues Collaborative (Collaborative) to explore cross-jurisdictional issues relevant to FERC and state utility commissions.¹

The fourth public meeting of the Collaborative will be held on Wednesday, November 12, 2025, from approximately 8:30 a.m. to 10:30 a.m. PST, at the Sheraton Grand Seattle hotel in Seattle, Washington. The meeting will be open to the public for listening and observing and will be on the record. There is no fee for attendance and registration is not required. The public may also attend via Webcast. This meeting will be transcribed. Transcripts will be available for a fee from Ace Reporting, 202-347-3700.

The overarching topic the Collaborative will discuss is energy infrastructure permitting. As explained in the Establishing Order, the Commission will issue agendas for each meeting, after consulting with members of the Collaborative and considering suggestions from state commissions.² The Commission will issue the specific agenda for the fourth public meeting no later than October 29, 2025.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov or call toll free 1-866-208-3372 (voice) or 202-208-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.
