ISO New England Inc.

Docket No. ER19-1166-000

NOTICE OF FILING TAKING EFFECT BY OPERATION OF LAW

(September 25, 2019)

On February 28, 2019, pursuant to section 205 of the Federal Power Act (FPA),¹ ISO New England Inc. (ISO-NE) filed the results from the thirteenth Forward Capacity Auction to become effective on June 28, 2019 (FCA 13 Results Filing). On May 24, 2019, ISO-NE submitted supplemental information to the FCA 13 Results Filing. On June 6, 2019, and July 25, 2019, Commission staff issued letters to ISO-NE informing ISO-NE that its filing was deficient and seeking additional information. On June 28, 2019, and July 26, 2019, respectively, ISO-NE submitted its responses to those letters.

Pursuant to section 205 of the FPA, in the absence of Commission action on or before September 24, 2019, the FCA 13 Results Filing, as amended, became effective by operation of law. Accordingly, the effective date of the FCA 13 Results Filing is June 28, 2019.

The Commission did not act on ISO-NE's filing because of a lack of quorum in this proceeding at this time. Consistent with section 205(g)(1)(B) of the FPA, any written statement explaining the views of a Commissioner with respect to ISO-NE's filing will be added to the record of the Commission in the captioned proceeding.
